# THE SHOW

Our Annual Show at the Saratoga Arts Center was a great success. A number of bonsai were selected by the membership to be shown at MABS in April. If your tree was selected, be sure to keep it in great shape for the spring. MANY THANKS to all the club members who came to set up, maintain, show, and take down the event. Please check all the stands you took home and make sure they are yours, we are missing a few.

The photos below were taken by Adriano. See them all at the next meeting.
