Our Mission

Founded in 1968, we are the Mohawk Hudson Bonsai Society.

Our purpose is to generate interest in and educate the public about the art of Bonsai, as well as to , offer education for all skill levels, provide opportunities to practice the art, and form friendships with other enthusiasts.

Membership is open to all, dues are \$45 for an individual and \$60 for a household. You can pay your 2025 dues from the Membership Online Payment page of our website.

We meet on the last Sunday of each month, at 12:00 pm January through November (See calendar for dates) at DJH Bonsai in Feura Bush, NY (unless otherwise indicated in the TWIG).

Meetings are social gatherings as well as educational opportunities and typically consist of the club meeting, potluck snacks and then an activity. Activities vary and may include BYOT (bring your own tree) workshops, member led tutorials, critique and display help as well as season and species specific instruction.

The club also hosts many Guest artists through the year. Visits typically include a full-day workshop on Saturday, a half-day workshop on Sunday morning, followed by the club meeting, luncheon, a demonstration on a donated tree by the artist and raffling of the finished material. Workshop and/or material fees may apply. If you have any suggestions for club activities please reach out to Jonathan Stewart our Activities Director.
